

Workshop:

Focus on vascular liver disease

Launch of joint research activities of the ERN R-LIVER vascular liver disease group and European Vascular Liver Disease Interest Group (VALDIG)

5 to 6 July 2023

INTERNATIONAL EXPLORATORY WORKSHOP supported by ERN R-LIVER-vascular liver diseases (VLD)

PROGRAM

Tuesday 4th July

- Arrival of the participants in the evening

Wednesday 5th July

- 8.30 Welcome and introduction from ERN rare liver/ Valdig (A. PLESSIER, M. SENZOLO, V HERNÁNDEZ-GEA)

Session 1: Definition of the needs/ Position papers/guidelines

Moderators M. SENZOLO/L.TURCO/ D VALLA

1. Past or ongoing ERN/ VALDIG collaborations

- 8.45 Report from the ERN R-liver/EASL/VALDIG position paper on Fontan associated liver disease (Luis TELLEZ)
- 09.15 Update of current and future needs in portal vein thrombosis after VALDIG/ERN Paris PVT meeting 2022 for adults (Laure ELKRIEF +/- PE RAUTOU)
- 9.30 Discussion of current and future needs in portal vein thrombosis after VALDIG/ERN Paris PVT meeting for children (Oanez ACKERMAN)
- 10.00 Discussion
- 10.45 Coffee Break

2. Exploring future horizons

11.15 Discussion of current and future needs in Budd-Chiari syndrome in adults (Aurélie PLESSIER)

- 11.35 Discussion of current and future needs in Budd-Chiari syndrome in children (Isabel GONCALVES)
- 11.55 Discussion
- 12.30 Lunch break

Session 2: Research strategies in VLD

Moderators A PAYANCE/ S DARWISH MURAD/ F NERY

- 13.45 Patients associations for VLD: how to involve them in research in VLD? (Sophie HULLIN)
- 14.00 Discussion
- 14.20 Pathology and VLD- Future challenges-New techniques-new data. Valerie PARADIS
- 14.40 Ongoing or scheduled European grants for VLD (Virginia HERNÁNDEZ-GEA)
- 14.55 Round table discussion
- 15.20 Break

Session 3: ERN rare liver / VALDIG organization: Communication.

Moderators G.TOSETTI/ A. SHUKLA

- 15.45 Going from ENVIE and VALDIG registries to one ERN R- liver database (and biobanks): Progress made, practical tips, blocking points and potential solutions Laure ELKRIEF + Sarwa DARWISH MURAD
- 16.25 Discussion
- 16.50- 17.00 Visibility of and interactions within ERN for VLD. What has been done? What should we plan? (Sabina BERNHARDT)
- 17.00 Visibility and interactions with European and national societies across the disciplines and Valdig. What has been done? What should we plan? (Akash SHUKLA)
- 17.10 Discussion
- 17.40 End of first day

Thursday 6th July

- **Session 4: Scientific research projects proposals-**
- **moderators Andrea DE GOTTARDI/ Pierre-Emmanuel RAUTOU/ Virginia HERNÁNDEZ-GEA**
- 8.30 Short presentation of ongoing VALDIG projects (Laure ELKRIEF)
- 8.40 Open Projects Proposals + Discussion (to be announced by participants)
- **Discussion**
- **12.30 End of the meeting and Lunch**
